Pattson22

Summary

Cloud Engineer transitioning from a decade of operations and branch leadership into cloud infrastructure and automation. Combines strong operational discipline, risk management, and team leadership with hands-on skills in infrastructure as code, CI/CD, containerization, and observability. Focused on designing secure, cost-efficient cloud architectures, automating repeatable deployments, and improving reliability through monitoring and SRE practices. Currently studying Computer Science at GISMA University of Applied Sciences (Oct 2025–Dec 2028) and based in Berlin, Germany.

Experience

17 Jan 2022–2025 **Branch Manager, Agona Rural Bank Ltd (Duakwa Branch)**, Agona Swedru, Central Region, Ghana

- Implemented performance evaluation systems and developed improvement plans for employees, increasing productivity and job satisfaction.
- Leveraged networking strategies to identify community business opportunities, expanding the bank's customer base and revenue.
- Maintained strict confidentiality of bank records and client information, ensuring data security and regulatory compliance.
- Assessed budget plans, presented costs, and forecasted trends to support strategic operational decisions.
- Compiled and analyzed loan applicants' credit histories and financial statements to enable accurate risk assessment.

2 Dec 2019–16 Jan 2022 **Branch Manager, Agona Rural Bank Ltd (Nsaba Branch)**, Nsaba, Ghana

- Achieved the highest profit among all branches of Agona Rural Bank Ltd in 2021 through strategic leadership and operational improvements.
- Reviewed customer loan applications and collaborated with underwriters to ensure accurate, compliant lending decisions.
- Resolved escalated customer issues and managed staff conflicts to maintain high customer satisfaction and branch productivity.
- Prepared monthly financial reports to inform management planning and decision making.

17 May 2016–1 Dec 2019 **Operations Officer, Agona Rural Bank Ltd (Kwanyako Branch)**, Kwanyako, Ghana

- Cultivated and maintained positive client relationships, delivering high levels of customer satisfaction and loyalty.
- Managed office inventory and implemented efficient processes that reduced costs and improved productivity.
- Standardized communications and documentation to ensure accuracy and professional presentation of records.

17 Nov 2014–16 May 2016 **Credit Officer, Agona Rural Bank Ltd (Kwanyako Branch)**, Kwanyako, Ghana

- Performed credit appraisals and recommended approvals/denials based on credit reports, references, and financial statements.
- Reduced past due balances and bad debt by coordinating collection efforts and implementing recovery strategies.
- Utilized TEMENOS banking software to streamline credit appraisal and documentation processes.

Aug 2012–Jul 2013 **National Service (Teacher)**, *Ghana Education Service (Ampenyi, Elmina)*, Elmina, Ghana

- Delivered instruction in Mathematics, RME, and ICT; developed alternative lesson approaches to improve student engagement and retention.
- Collaborated with teachers and parents to support student development and documented progress.

Education

Oct 2025–Dec 2028 **BSc Computer Science**, *GISMA University of Applied Sciences*, Berlin, Germany

Nov 2009–30 Jun 2012 **Higher National Diploma in Accountancy (Second Class Upper)**, *Cape Coast Technical University (Cape Coast Polytechnic)*, Cape Coast, Ghana

Skills

Cloud & Infrastructure Infrastructure as Code (Terraform); CloudFormation; AWS; Azure; Google Cloud

Containers & Orchestration Docker; Kubernetes; Helm

CI/CD & Automation GitHub Actions; Jenkins; Ansible; GitOps

Observability Prometheus; Grafana; ELK; CloudWatch

Languages Python; Bash; SQL

Other Risk assessment; team leadership; process improvement; customer relationship management

Selected Projects & Training

Performance Improvement Initiative Implemented staff performance evaluation and improvement plans across branches to raise productivity and service quality.

Credit Systems and Payments Training Trained on TEMENOS, NLA fast credit and payment systems, Western Union/RIA/MoneyGram/UnityLink, Transflow payment system.

Certifications & Training

Credit Risk Assessment; Anti-Money Laundering and Countering the Financing of Terrorism; Financial Crime Mitigation; Ghana Card Verification; Proper Loan Administration.

Languages

English (fluent); Akan (native); German (Learning)

Interests

Cloud automation; open source; cycling; football
